ABOUT THE COVER
The entrenching tool, long the basic item used by the soldier to move earth, may soon be little more than a museum piece. The cover painting by Charles Marie of "things to come" may not be as futuristic as it appears. You will discover why by reading "The Earthmoving Syndrome," beginning on page 20.

SUBSCRIPTION INFORMATION

Units and organizations of the Active Army, Army National Guard, and U.S. Army Reserve can receive copies of each issue by completing DA Form 12-4 (one copy) and submitting through channels to—

U.S. Army Adjutant General Publications Center
2800 Eastern Boulevard
Baltimore, Maryland 21220

Details are outlined in DA Circular 310-94, 20 April 1970.

Distribution of Army Logistician magazine on an individual name basis is restricted to the general officers of the Active Army, members of the Logistics Officer Program, Legal Logistics Officer Program, Procurement Officer Program, Noncommissioned Officer Logistics Program, and logistics career program for USAR officers.

Persons having questions about how to obtain the magazine should contact their installation or office publications officer.

Each person who receives distribution on an individual name basis is responsible for keeping us informed of his current mailing address. Mailing will be made to military addresses only. Changes of address and old mailing label should be sent to—
