(inside back cover)

Army Logisticiian is devoted to the publication of timely, authoritative information about Army and Defense logistics for the Active Army, Army National Guard, Army Reserve, civilian employees of the Army, and the public. Our purpose is to increase knowledge and understanding of logistics and to encourage and stimulate innovative thought in the subject areas of logistics by providing a forum for publishing and presenting those ideas. The views expressed in the articles in this publication are those of the authors and not necessarily those of the Department of Defense or the Department of the Army.

Army Logisticiian is an official Army publication published bimonthly and sponsored by the Assistant Secretary of the Army (Installations and Logistics), the Deputy Chief of Staff for Logistics, and the Commander, Army Materiel Development and Readiness Command. Photographs are U.S. Army unless otherwise noted. Material may be reprinted if credit is given to Army Logisticiian and the author, unless otherwise noted.

Articles, photographs, illustrations, and items of interest on any aspect of Army logistics are invited. Direct communication is authorized to: Editor, Army Logisticiian, Army Logistics Management Center, Fort Lee, Va. 23801.

Use of funds for printing of this publication was approved by Headquarters, Department of the Army, on 1 October 1976 in accordance with AR 310-1.

Active Army units receive distribution under the pinpoint system outlined in AR 310-2. DA Form 12-5 must be sent to CDR, AG Publications Center, 2800 Eastern Boulevard, Baltimore, Md. 21220. Army National Guard and Army Reserve units must submit requirements through State adjutants general or Army Reserve channels.

Subscriptions are available through the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. Annual rates are $7.65 for mailing to a domestic or APO address and $10.60 for mailing to a foreign address. Single copies are $1.35. Checks should be payable to the Superintendent of Documents.
TOTAL ARMY GOALS

The Readiness Goal
Prepare the Total Army for rapid transition to combat, fully capable of performing its wartime mission.

The Human Goal
Provide the Total Army with highly effective and morally responsible military and civilian personnel capable of performing reliably in war; provide quality of life support for our soldiers and their families and require from them reciprocal dedication to service.

The Materiel Goal
Develop, field, and maintain a balanced war-fighting and sustaining capability.

The Strategic Deployment Goal
Improve Army deployment capability to move forces as scheduled in order to increase early availability of combat power.

The Future Development Goal
Improve Army equipment and concepts to exploit new technology.

The Management Goal
Manage and utilize existing and programmed resources more effectively. Strengthen the Army’s resource justification process.
