COVER—The role of the 24th Infantry Division (Mechanized) Division Support Command in defending the division airhead and rear area is described in the article beginning on page 2. Soldiers, like those pictured on the cover, will be involved in these operations.

Army Logistician magazine (ISSN 0004-2528) is an official Army periodical published bimonthly by the Editor at the U.S. Army Logistics Management Center, Fort Lee, VA 23801, under the sponsorship of the Assistant Secretary of the Army (Installations, Logistics, and Financial Management) the Deputy Chief of Staff for Logistics, and the Commander, U.S. Army Material Development and Readiness Command. Second class official mail postage paid at Petersburg, VA, and additional mailing offices. Postmaster: Send address changes to Editor, Army Logistician Magazine, ALMC, Fort Lee, VA 23801.

Army Logistician publishes timely, authoritative information on Army and Defense logistics for the Active Army, Army National Guard, Army Reserve, civilian employees of the Army, and the public. Our purpose is to increase knowledge and understanding of logistics and to encourage and stimulate innovative thought in areas of logistics by providing a forum for those ideas. The views expressed in the articles are those of the authors and not necessarily those of the Department of Defense or the Department of the Army. © Photographs are U.S. Army unless otherwise noted. Material may be reprinted if credit is given to Army Logistician and the author, except where copyright is indicated. © Use of the 'He' and any of its forms is intended to include both masculine and feminine genders.
