COVER — A tranquil German village, like the one shown on the cover, can provide an excellent logistics support base from which to support combat units in wartime. How support was provided during Reforger, using the "village-support" concept, is described in the story beginning on page 32.

Alog magazine publishes timely, authoritative information on Army and Defense logistics for the Active Army, Army National Guard, Army Reserve, civilian employees of the Army, and the public. Our purpose is to increase knowledge and understanding of logistics and to encourage and stimulate innovative thought by providing a forum for those ideas.
