COVER—The late Sir Winston Churchill once said, “Victory is the
beautiful, bright-colored flower. Transport is the stem without which
it could never have blossomed.” Two articles, “Meeting the Strategic
Mobility Challenge” on page 2 and “Transportation’s Warfighting Role”
on page 6, underscore the essentiality of transportation assets, such as
the logistics support vessel shown on the cover.

Army Logistician (ISSN 0004-2528) is published bimonthly by Headquarters, Department
