COVER—Logistics soldiers of the 528th Special Operations Support Battalion
(Airborne) train to use aerial resupply as a means of supporting special forces,
ranger, special operations aviation, civil affairs, and psychological operations
units wherever they might deploy. Their story begins on page 26.

Mission: Army Logistician (ISSN 0004-2528) is an official Department of the Army professional
bulletin prepared bimonthly at the Army Logistics Management College, Fort Lee, Virginia, and
published by Headquarters, U.S. Army Combined Arms Support Command, for the Department of
the Army. Its mission is to publish information on Army and Defense logistics plans, programs,
policies, operations, procedures, and doctrine that contributes to the professional development
of military and civilian logistics personnel.

Disclaimer: Articles express views of the authors, not the Department of Defense or any of its
agencies, and do not change or supersede information presented in other official Army
publications. The masculine pronoun may refer to both genders.

Submission: Material on all facets of Army logistics is solicited. Direct communication is au-
thorized to: Editor, Army Logistician, ALMC, Fort Lee, VA 23801-6044 (DSN 687-6400 or
6402, commercial (804) 734-6400 or 6402, or FAX DSN 687-6401). Manuscripts on 5 1/4"
 floppy disk, saved in ASCII or an IBM-compatible word processing system, are requested.
Materials may be reprinted provided credit is given to Army Logistician and to the author(s),
except when copyright is indicated.

Distribution: Army units may obtain distribution JAW procedures in DA Pamphlet 25-33 by
completing DA Form 12-99-R. Private subscriptions are available through the Superintendent of

Postmasters: Send address changes to Editor, Army Logistician, ALMC, Fort Lee, VA 23801-
6044. Second-class postage paid at Petersburg, Virginia, and additional mailing offices. Army
Logistician is approved for public release; distribution is unlimited.

This medium is approved for the official dissemination of material designed to keep
individuals within the Army knowledgeable of current and emerging developments
within their areas of expertise for the purpose of enhancing their professional development.
