ALU Library:

To provide the right information, when and where the Soldier needs it!

Welcome to the **Army Logistics University Library**.

The Library provides academic, technical, combat development and doctrinal research support in a stimulating learning environment for the ALU, Sustainment Center of Excellence, US Army, and DoD and other authorized users. The library is a member of TRADOC libraries/Army University Library System and the Army Library Program; maintains close contact with other DoD libraries and civilian agencies to enable resource sharing and virtual reference services.
